

# APARTMENT POLICY: THINK BIGGER. PROTECT BETTER.

As a small business owner, it is important that you and your investments are accurately covered. Our apartment markets offer a wide range of coverage options that we can tailor specifically towards your needs.

## Unlimited Units

There is no limit on the number of units we can quote. Coverage is available for apartments of all sizes.

## All Inclusive

Property structure, special perils coverage is offered, which is the most comprehensive policy available.

## General Liability

coverage offered. Limits starting at \$1M per occurrence with a \$2M annual aggregate.

Umbrella ranges from \$1M-\$10M

## Nationwide Coverage

Coverage is available for properties in all 50 states.

## Power of Choice

As an agency, we have access to multiple carriers, which allows us to shop numerous providers to ensure we obtain the most competitive rate

## Customizable

We understand that your needs may vary from your neighbor. Therefore, we can customize a policy specifically to meet your insurance requirements. You can elect or reject perils, adjust your valuation and modify your loss settlement. However, we will offer our professional opinion and advise for anything that may cause an increase in risk exposure

## One Policy

You can cover multiple buildings and different complexes under one policy, which makes it easier for you to manage.
