

ELEVATING MULTIFAMILY INSURANCE

The logo for realprotect features a stylized roofline above the text. The roofline is composed of two lines: a blue line on the left and a red line on the right, meeting at a peak. Below the roofline, the word "realprotect" is written in a sans-serif font. "real" is in red and "protect" is in blue. A small trademark symbol (TM) is located to the upper right of the "t" in "protect".

about realprotect

Founded in 1928, a member of Legacy Risk Solutions, realprotect provides insurance and risk management offerings for the real estate industry.

realprotect Multifamily stands as the foremost authority in multifamily real estate insurance, with a deep understanding of the unique needs of the industry.

We recognize that every owner, operator and property manager face a unique set of challenges and opportunities. As a leader in this field, our approach is characterized by a profound dedication to providing flexible, specialized insurance products and services that empower property owners, managers, and investors to thrive in an ever-evolving landscape across the US.

realprotect is dedicated to supporting your ambitions and ensuring the protection of your investments, so you can focus on what matters most – building and managing thriving multifamily communities.
